Re: Permit Review Status, Lisbon Valley Mine, M/037/088, San Juan County, Utah

Dear Mr. Prescott:

On August 21, 1995, the Division received SUMMO USA Corporation's plan for the Lisbon Valley mine. Due to a backlog of other permit reviews, the Division will not be able to complete a review of this plan within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
